/ Single modules with glass top

Moduli accostati con top vetro unico
/ Side by side modules with single glass top

Moduli bifacciali con top vetro unico
/ Double-sided modules with single glass top

Cassettiere Bacheca Atollo, con moduli componibili e piano superiore in vetro. In questo modo, i cassetti superiori diventano delle bacheche da esposizione e possono essere dotati di attrezzature e luce led sul retrofrontale, per dare risalto agli oggetti più preziosi e speciali.

Atollo Bacheca drawer unit, with modular units and glass top. This allows the upper drawers to be used as display units and fitted with equipment and LED lighting on the back panel to highlight your most precious and special items.
